PRAYER REQUESTS

Praise God! Donovan's blood count went from 22 to 101!

Lift Sandi Martin up in prayers as she has medical tests ran.

Please pray for Kelly as he battles the cancer that has returned.

Please continue to pray Roger White's shoulder will heal.

Message from Mabe Emmert:

Thank you for your prayers for Marv & I.

There was a definite answer concerning his trying to get home. He seems to realize he must be there and doesn't even mention it. It has been a slow process but he is gaining some strength and took about 4 faltering steps today. We love you and covet your prayers.
